Communities Growing Trees Together

STREET TREE SPECIES FOR YOUR SITE

You have room for a medium tree in the public right-of way adjacent to your home. We are able to offer the following two species for the conditions at your site, contingent on availability. Please write in your preferred choice when you submit your tree adoption agreement.

VARIEGATED HAU

Hibiscus tiliaceus

- variegated cream and green leaves
- yellow fading to red flowers
- often pruned as a hedge or bush, but makes an attractive single stemmed tree

WHITE TECOMA

Tabebuia berteroi

- dense, columnar shaped, canopy
- white trumpet flowers
- evergreen leaves
